

Academy Dress Code

Academy students are required to wear a uniform. This uniform is available from our MAX store starting mid-August.

- A neat and tidy appearance sets an attitude of attentiveness and respect for students, teacher, and the art of dance.
- A dress code teaches students discipline, helping with overall focus and energy.
- By "dressing the part," dancers feel like dancers.
- Dress codes can also create unity among the dancers instead of causing a few dancers to stand out, much like a school uniform policy.

Please Note:

- All dance clothes are to be form fitting. Teachers must be able to see the dancer's body outline clearly in order to make proper corrections on posture and alignment. The only exception to this rule is Hip Hop class attire.
- Hair must be properly secured and tied up off of the face and neck for all styles of dance. Hair must be properly secured in a bun for ballet classes.
- No jewelry please.
- Gum chewing is not allowed due to danger of choking, respect for the studio and studio equipment and appearance.
- No blue jeans or other `street clothes` (they are not dance attire).
- No costumes are allowed in class unless a dress up day is announced by the individual teacher
